

Dear Delegate,

We are delighted to announce the *41st WOCSDICE - Workshop on Compound Semiconductor Devices and Integrated Circuits held in Europe* - that will take place from **21-24 May 2017** at the **AC Gran Canaria Hotel** in **Las Palmas de Gran Canaria, Canary Islands, Spain**.

Representing an important opportunity to acquire new knowledge as well as to exchange ideas on state-of-the-art research and the latest advancements on devices based on compound materials, the topics to be addressed in this conference include:

- **Compound semiconductor-based devices and their circuits including wide bandgap semiconductors**
- **Two-dimensional layered (2D) and Graphene devices and their materials**
- **Device modelling**
- **Device process and characterization**
- **Applications of devices and structures**
- **Reliability and packaging**
- **Novel device and circuit concepts**

Workshop Proceedings will be available at the conference.

	<i>Abstract submission deadline:</i>	13 February 2017
	<i>Communication of review results:</i>	3 March 2017
IMPORTANT DATES	<i>PC deadline for invited speakers:</i>	15 March 2017
